Stacy Nicole Banks

Full Stack Web Developer

301.404.1922 | stacybanks514@gmail.com **|** http://stacynicole.me/ **|** https://github.com/stacybanks514

A highly motivated full stack web developer equally comfortable in both front and back-end applications. Finds enjoyment in learning new aspects of programming languages and welcomes a good challenge. Values collaborative engagement as well as independent research, and establishes a positive rapport and environment.

SKILLS

Ruby	JavaScript	PostgreSQL	HTML5	Agile Methodologies
Ruby on Rails	jQuery	Active Record	CSS3	Problem Solving
RSPEC & Capybara	Backbone	Git & GitHub	Bootstrap & Foundation 5	Wireframing

PROJECTS

Shelf It - https://murmuring-escarpment-3877.herokuapp.com/
- A web application built for logging the physical books you have at home
- Technologies used: Ruby, Ruby on Rails, Goodreads API, PostgreSQL, Foundation 5, Figaro
- Hand coded user authentication: sign up, log in and log out. User has personalized 'shelf' for viewing personal books and can browse all books in Shelf It database
- https://github.com/stacybanks514/Shelf_It

Otakon - https://stormy-fjord-2951.herokuapp.com/
- Remade the website for Otakon, a Japanese/Anime convention held in Baltimore annually
- The original website: https://www.otakon.com/
- Technologies used: Ruby, Ruby on Rails, PostgreSQL, Google Maps API, Foundation 5 & Foundation Fonts, Capybara/RSPEC, Figaro, Devise
- https://github.com/stacybanks514/Otakon_Website

RPS Global Champion - https://globalchampion.herokuapp.com/
- A Rock, Paper, Scissors web application
- Technologies used: Ruby, Ruby on rails, JavaScript, jQuery, AJAX, Devise, Bootstrap, Paperclip, Capybara, Turbolinks, PostgreSQL, Selenium WebDriver, Jasmine-Rails, Rack-Livereload, rb-readline
- A team of 5 people, I was team manager
- https://github.com/seanlarge/RPS_GLOBALCHAMPION

EDUCATION

General Assembly - Washington, DC - Full-Time Web Development Immersive, December/2014
- Full-stack web development program focused on common best practices in object-oriented programming, MVC frameworks, data modeling, and test-driven development. Developed a portfolio of individually focused and collaboratively focused projects.

Per Scholas A+ Training - Silver Spring, MD, June/2014
- An 8 week in-depth training course for the CompTIA A+ Certification, obtained certification in June 2014. Learned physical and software aspects of computers.

i-to-i TEFL Certification, January/2013
- Certified Instructor, Teaching English as a Foreign Language

Salisbury University - Salisbury, MD, May/2012
- Bachelor of Arts, Major: International Relations, Minor: Business
- Study Abroad, Socialist Republic of Vietnam, January/2012
